The Reason

Americans are losing freedoms at a record pace. Each time a politician or bureaucrat writes a law or regulation, we lose freedoms.

The most effective way to influence change is through community. Utah Gun Exchange is organizing a community of like-minded Americans who's voting patterns are alike. We vote in favor of the Second Amendment and we vote in favor of Security and Liberty.

Our Mission

The "I Vote With Utah Gun Exchange" community has one mission, and that is to enhance liberty.

As a like minded community of voters, we will invite others to join us in creating a powerful and influential group of patriotic Americans. We will vote collectively in favor of Freedom.
